christian missionaries introduced fabric quilt making to the cook islands more than one hundred years ago within a short time cook island women turned the tivaevae needlework specifically the making of patchwork quilts by hand into an art form that has become an integral part of local life and culture in this lavishly illustrated book island women talk about their tivaevae how they are sewn the ideas that go into each design and the future of tivaevae

the beauty of mathematics eludes all but a small select handful of people this monumental classic will illuminate the aesthetic delights of mathematics for all to behold why should only a tiny aristocracy hold the key to appreciating the elegance of mathematics why should intelligent cultured people who can easily articulate the brilliance of shakespeare s imagery quake at the prospect of deciphering a simple algebraic formula jerry king a mathematics professor and a poet razes the barriers between a world of two cultures and hands us the tools for appreciating the art and treasures of this elegant discipline in his fluid poetic voice he initiates us into the splendid wonders of the mathworld he provides us with an original framework for contemplating mathematics as art he deepens our ultimate comprehension of art by comparing the beauty of a rembrandt as well as a jackson pollock with the riches to be mined in an elegant proof like the great philosophers of the past dr king searches for pure truth a quest possible today only in the realm of mathematics with his infectious enthusiasm he explains with utmost clarity the intellectually stimulating underpinnings of both pure and applied mathematics he goes on to decry how our educational system has failed by perfunctorily teaching us mathematics depriving us of the pillars of beauty upon which mathematics rests never before has a book spoken so eloquently to our soul in instilling an appreciation for the grandeur of mathematics through dr king the muses of mathematics will no longer sing for others and not for us the elegant world of mathematics awaits us all to savor

the field of art and religion is fast becoming one of the most dynamic areas of religious studies uniquely the art of the sacred explores the relationship between religion and the visual arts and vice versa within christianity and other major religious traditions it identifies and describes the main historical theological sociological and aesthetic dimensions of religious art with particular attention to popular as well as high culture and within societies of the developing world it also attempts to locate and predict the forms and functions of such art in a changing contemporary context of obligation modernity secularism and fundamentalism the author concentrates on four chief dimensions where religious art and religious belief

converge the iconographic the didactic the institutional and the aesthetic this clear well organised and imaginative treatment of the subject should prove especially attractive to students of religion and visual culture as well as to artists and art historians

some may possibly wonder to find here no record of ballet in italy or at the opera houses of madrid lisbon vienna buda pest berlin copenhagen stockholm warsaw or st petersburg not to speak of the united states and south america this however would be to miss somewhat the author s purpose which is not to trace the growth of ballet in every capital where it has been seen to do so effectively was hardly possible in a single volume a whole book might well be devoted to the history of the art in italy alone herein only touched upon as it came to have a vital influence on france and england in the nineteenth century we have already had numerous volumes dealing with russian ballet and since the ground has been extensively enough surveyed in that direction there could be no particular advantage in devoting more space to the subject than is already given to it in this work the purpose of which only is to present as far as possible from contemporary sources some leading phases of the history of the modern art of ballet as seen more particularly in france and england

a journey through johannesburg via three art projects raises intriguing notions about the constitutive relationship between the city imagination and the public sphere through walking gaming and performance art amid prevailing economic validations the trilogy posits art within an urban commons in which imagination is all important

henry james criticized the impressionism which was revolutionizing french painting and french fiction and satirized the british aesthetic movement which championed impressionist criticism yet time and again he used the word impression to represent the most intense moments of consciousness of his characters as well as the work of the literary artist henry james and the art of impressions argues that the literary art of the impression as james practised it places his work within the wider cultural history of impressionism henry james and the art of impressions offers an unprecedentedly detailed cultural and intellectual history of the impression it draws on philosophy psychology literature critical theory intellectual influences and aesthetics to study james s early art criticism literary criticism travel writing prefaces and the three great novels of his major phase the ambassadors the wings of the dove and the golden bowl it argues that the coherent philosophical meanings of the jamesian impression emerge when they are comprehended as a family of related ideas about perception

imagination and aesthetics bound together by james s attempt to reconcile the novel s value as a mimetic form and its value as a transformative creative activity henry james and the art of impressions traces the development of the impression across a range of disciplines to show how james s use of the word owes them cultural and intellectual debt it offers a more philosophical account of james to complement the more historicist work of recent decades

just as our society delights in citations quotations and allusions in myriad contexts not least in popular song late medieval poets and composers knew well that such references could greatly enrich their own works in the art of the grafted song citation and allusion in the age of machaut author yolanda plumley explores the penchant for borrowing in chansons and lyrics from fourteenth century france uncovering a practice integral to the experiments in form genre and style that ushered in a new school of lyric working across disciplinary boundaries plumley traces creative appropriations in the burgeoning fixed forms of this new tradition to build a more intimate understanding of the shared experience of poetry and music in the generations leading up to and including guillaume de machaut exploring familiar and less studied collections of songs as well as lyrics without music this book sheds valuable light on the poetic and musical knowledge of authors and their audiences and on how poets and composers devised their works and engaged their readers or listeners it presents fresh insights into when and in which milieus the classic ars nova polyphonic chanson took root

and flourished and into the artistic networks of which machaut formed a part as plumley reveals old songs lingered alongside the new in the collective imagination well beyond what the written sources imply reminding us of the continued importance of memory and orality in this age of increasing literacy the first detailed study of citational practice in the french fourteenth century song writing tradition the art of grafted song will appeal to students and scholars of medieval french music and literature cultural historians and others interested in the historical and social context of music and poetry in the late middle ages

corpses mark surrealism s path through the twentieth century providing material evidence of the violence in modern life though the shifting group of poets artists and critics who made up the surrealist movement were witness to total war revolutionary violence and mass killing it was the tawdry reality of everyday crime that fascinated them jonathan p eburne shows us how this focus reveals the relationship between aesthetics and politics in the thought and artwork of the surrealists and establishes their movement as a useful platform for addressing the contemporary problem of violence both individual and political in a book strikingly illustrated with surrealist artworks and their sometimes gruesome source material eburne addresses key individual works by both better known surrealist writers and artists including andr  breton louis aragon aim  c saire jacques lacan georges bataille max ernst and salvador dal  and lesser known figures such as ren  crevel simone breton leonora carrington benjamin p ret and jules monnerot for eburne the art of crime denotes an array of cultural production including sensationalist journalism detective mysteries police blotters crime scene photos and documents of medical and legal opinion as well as the roman noir in particular the first crime novel of the american chester himes the surrealists collected and scrutinized such materials using them as the inspiration for the outpouring of political tracts pamphlets and artworks through which they sought to expose the forms of violence perpetrated in the name of the state its courts and respectable bourgeois values concluding with the surrealists quarrel with the existentialists and their bitter condemnation of france s anticolonial wars surrealism and the art of crime establishes surrealism as a vital element in the intellectual political and artistic history of the twentieth century

historian f w kent offers a new look at lorenzo s relationship to the arts aesthetics collecting and building especially in the context of his role as the political boss maestro della bottega of republican florence and a leading player in renaissance italian diplomacy kent s approach reveals lorenzo s activities as an art patron as far more extensive and creative than previously thought known as the magnificent lorenzo was broadly interested in the arts and supported efforts to beautify florence and the many medici lands and palaces his expertise

was well regarded by guildsmen and artists who often turned to him for advice as well as for patronage lorenzo was educated in the arts by such men and kent explores his aesthetic education and taste taking into account what is known of lorenzo s patronage of music and manuscripts and of his own creative works as a major quattrocento poet

how do you decide what stories an audience should hear how do you make your theatre stand out in a crowded and intensely competitive marketplace how do you make your building a home for artistic risk and innovation while ensuring the books are balanced it is the artistic director s job to answer all these questions and many more yet despite the central role that these people play in the modern theatre industry very little has been written about what they do or how they do it in the art of the artistic director christopher haydon former artistic director of the gate theatre london s most relentlessly ambitious theatre time out compiles a fascinating set of interviews that get to the heart of what it is to occupy this unique role he speaks to twenty of the most prominent and successful artistic directors in the us and uk including oskar eustis public theater new york diane paulus american repertory theater boston rufus norris national theatre london and vicky featherstone royal court theatre london uncovering the essential skills and abilities that go into making an accomplished artistic director the only book of its kind available the art of the artistic director includes a foreword by michael grandage former artistic director of the sheffield crucible and the donmar warehouse in london

investigating the complex interactions between devotional imagery and church doctrine in the low countries during the fifteenth century this book demonstrates how the pictorial arts intersected with popular religious practice the author reconstructs the conceptual frameworks underlying the use and production of religious art in this period and provides a more nuanced understanding of the use of images in the process of soul formation this study delves into the complexity of the early modern system of personal justification and argues that religious images and objects were part of a larger technology of salvation in order to make these connections clearer the author analyzes selected works by geertgen tot sint jans little gerard at st john s and shows how they functioned within their larger social and historical milieu

originally published in 1946 this book presents sir lionel whitby s lecture upon taking up the position of regius chair of physic at cambridge university
