despite being written mainly in the third person this book enables the perceptive reader to study a dramatic part of south africa's history through the experiences of the main protagonist because of his legal background daniel is able to see how an initially fair legal system is corrupted in order to serve the increasingly desperate needs of the white minority this is a mere backdrop however to a love story that grows closer to tragedy as time passes because the heroine is an alcoholic the arrival of the computer alters the career of the hero dramatically and sends him on some overseas adventures to learn more about the legal implications of the new

machine as a leader of a missionary team to malawi daniel also gets to grips with people with a totally different background and a differing worldview the book is sensitive to background and atmosphere and the hero encapsulates some of this in a few poems that form part of the main text jealousy that green eyed monster also rears its head occasionally and further complicates relationships

this book is essential for academics that enter the field of higher education and training as it focuses on preparing teachers and trainers to respond appropriately to student success challenges student success is a burning issue both globally and locally while student achievement is determined by a combination of factors teachers and their teaching practices do matter higher education teachers are expected to fulfil different roles at different times such as planning for curriculum implementation mentorship and coaching facilitating learning resource development and student assessment against this background the primary purpose of empowering novice academics for student success wearing different hats is building the capacity of novice teachers and trainers to play an influential role in increasing student success throughput

the book highlights the critical yet often overlooked role of education in combating climate change it advocates for a transformative educational framework that integrates social emotional learning and interdisciplinary collaboration traditional education which focuses solely on factual knowledge is deemed insufficient instead education should foster empathy provide hands on experiences and encourage active engagement in climate solutions the book outlines various ways education can drive climate action such as raising awareness preparing individuals for green jobs empowering communities and fostering innovation in higher education it highlights the interconnectedness of climate change and education particularly for marginalised populations showing how quality education can enhance both mitigation and adaptation strategies while supporting sustainable development goal sdg 4 and sdg 13 key chapters discuss successful initiatives such as the keep it cool climate change education kic cce project in south africa and offer strategies for integrating climate change education into subjects like natural sciences and geography ultimately the book positions education as a strategic tool for promoting sustainable development and building climate resilience new research findings presented in the book connect education to climate change highlighting education as both a tool to address climate issues and a domain affected by these issues the book integrates empirical evidence innovative theories and practical examples to ensure intellectual integrity and academic rigour it introduces a unique framework that emphasises social emotional learning action oriented teaching and interdisciplinary collaboration case studies such as the kic cce initiative in south africa illustrate these concepts the book critiques traditional models and advocates

for transformative approaches to climate education aligning with sdg 4 quality education and sdg 13 climate action it also highlights the significance of teacher preparedness community empowerment gender equality and innovation providing valuable insights for scholars policymakers and practitioners addressing the climate crisis

the south african education policy review is an invaluable historical archive it is a source book on policies conflicts developments and perspectives on education policy in the period 1993 to 2000 drawing from a selection of articles from the successful quarterly reviews of education and training produced by the education policy unit of the university of witwatersrand this book provides readers with detailed accounts of educational changes in south africa over the past decade it reflects upon significant events trends and debates and provides insightful analysis of this extremely momentous period of south africa s history

a man without ambition is dr arnold mol s autobiography written with the purpose of giving his grandchildren some insight into part of their historical heritage even though his family and friends were surprised by the title dr mol says that his life has been characterized by responding to opportunities that have come his way rather than purposefully planning to achieve something a man without ambition begins with dr mol recounting the drama surrounding his birth in holland shortly before the end of the second world war he then reflects on the past 68 blessed years of his life about immigrating to south africa growing up the love of his life his first job his missionary calling to south america becoming a parent and his deep gratitude towards the lord a man without ambition makes for rather entertaining reading with many anecdotes and readers will see how blessed life can be when they trust god and put their faith in him alone

traditional assessment methods often struggle to provide a comprehensive view of student understanding and capabilities leading to a one size fits all approach however ai driven tools offer personalized adaptive assessments that can adjust to individual learning styles and paces these technologies can analyze vast amounts of data to identify trends learning gaps and specific areas where students may need additional support by harnessing ai for assessments educators gain real time insights enabling them to tailor instruction and provide targeted feedback ai can streamline administrative tasks allowing teachers to focus on fostering meaningful learning experiences further exploration into these tools may enhance the assessment landscape making it more dynamic inclusive and effective for diverse learners improving student assessment with emerging ai tools explores the positive effects of ai tools on educational assessments the impact of intelligent technology on automated grading teaching and learning is examined this book covers topics

such as learning styles personalized learning and teacher training and is a useful resource for academicians educators computer engineers data scientists and researchers

language and decoloniality in higher education brings together a collection of diverse papers that address from various angles the issue of decoloniality language and transformation in higher education it reflects the authors cumulative years of experience as educators in higher education in different southern contexts distilled as case studies the authors use a range of decolonial lenses to reflect on questions of knowledge language and learning and to build a reflexive praxis of decoloniality through multilingualism besides a number of decolonial perspectives which readers will be familiar with this volume also explores a conceptual framework linguistic citizenship developed over the past two decades by scholars in southern africa in this collection linguistic citizenship is used as a lens to think beyond the inherited colonial matrices of language which have shaped this region and many other southern contexts for centuries and to re imagine multilingualism and semiotics more broadly as a transformative resource in the broader project of social justice although each chapter has firm roots in the south african context these studies have much to offer others in their quest for better worlds of particular interest to global scholars are the authors recounts of how they have grappled with leveraging the country s multilingual resources in the project of promoting academic access and success in the face of historical hierarchies of language and social power

this book examines the mentalities of various communities within a district of southern rhodesia zimbabwe focusing in particular on white administrators and missionaries in the melsetter district it combines linguistic lexical analysis with historical interpretation in an attempt to reconstruct what whites and africans actually meant by the words and practices they used in interactions with each other jeater provides a detailed study of translation work in mt selinda an evangelical mission it also examines formal and informal court hearings to contrast the perceptions and meanings ascribed to cases by white adjudicators and by african participants this leads into an initial attempt to map out the birth of ethnography in southern rhodesia and to contrast it with anthropology in south africa by the 1920s africans expertise in their own languages and culture had been usurped by self referential white linguists and ethnographers this account suggests that there is a tendency among archive oriented historians to overestimate how far white missionaries and administrators really understood what africans said and did in addition to making a contribution to our empirical knowledge of zimbabwe s history the book focuses on how and why investigators first began to make claims to such knowledge it urges those studying african history to be self reflective about their practice examining the historical roots of their claims to expertise such claims

no one answered when i tapped at the back door of madumo s home on mphahlele street a few days after my return to soweto so i pushed the buckling red door in a screeching grind of metal over concrete and entered calling hallo so begins this true story of witchcraft and friendship set against the turbulent backdrop of contemporary soweto adam ashforth an australian who has spent many years in the black township finds his longtime friend madumo in dire circumstances his family has accused him of using witchcraft to kill his mother and has thrown him out on the street convinced that his life is cursed madumo seeks help among soweto s bewildering array of healers and prophets an inyanga or traditional healer confirms that he has indeed been bewitched with ashforth by his side skeptical yet supportive madumo embarks upon a physically grueling treatment regimen that he follows religiously almost to the point of death despite his suspicion that it may be better to westernize my mind and not think about witchcraft ashforth s beautifully written at times poignant account of madumo s struggle shows that the problem of witchcraft is not simply superstition but a complex response to spiritual insecurity in a troubling time of political and economic upheaval post apartheid soweto he discovers is suffering from a deluge of witchcraft through madumo s story ashforth opens up a world that few have seen a deeply unsettling place where the question do you believe in witchcraft is not a simple one at all the insights that emerge as ashforth accompanies his friend on an odyssey through soweto s supernatural perils have profound implications even for those of us who live in worlds without witches

v 3 the third volume in the series examines the role of anti apartheid movements around the world the global anti apartheid movement was very successful in creating awareness of the liberation struggle in south africa and in contributing to the downfall of the apartheid government this volume in 2 parts brings together analyses which in the main are written by activist scholars with deep roots in the movements and organizations they are writing about
