either you believe in possession or you do not it is that simple or at least that is how it often
seems however the existence of the possession state in the human condition is not a matter of
faith it is a phenomenon that demands exploration so begins the introduction of this psycho
spiritual exploration of involuntary or demonic possession avoiding the pitfalls of many such
works here is presented the inarguable fact that the possession state does occur and must be
taken seriously if those who are afflicted are to be helped the only argument that remains is the
attributed cause of the state covering a comprehensive array of topics from the history of
demonic possession to a present understanding of the phenomenology and intrapsychic
dynamics of the possession state the book also provides a depth of understanding with respect
to the various forms of possession encountered throughout the world readers will also gain an
understanding of the various cultural and psychological explanations for possession including
neuropsychological hypnosis and psychodynamic theories it concludes with the examination

of three cases of demonic possession and the presentation of diagnostic criteria to assist in differentiating possession from common forms of psychopathology
