what do you remember from your history classes you may remember a quick discussion laid out about world leaders who dominated by sheer evil you might be more apt to remember the fictional stories that have been written or worse turned into a movie or tv show many of the facts and historical accounts of one man in particular are often blood thirsty with a drive towards showing how evil one ruler can be yet provide a sense of awe this man this legend is genghis khan he is not a fictional character who was stopped by china but rather a real person that conquered all of china and expanded west before his death genghis khan fascinates us because of his ability to rise from a shunned leader to the most powerful ruler of his time his intelligence and desires have provided the world with developments we may never have seen in 25 years and the establishment of the mongol empire genghis khan conquered more than the romans could do in 400 years weatehrford 2004 genghis khan was a warrior with great power intelligence and a reputation that conjured up fear in all who opposed him he is a man who

left a legacy for his children and grandchildren that is still discussed with awe and amazement today exploring the true history of such a powerful leader enables you to see that from nothing more than ashes in life you can rise survive and lead genghis khan s life was not filled with palaces and weakness it was filled with obstacles that drove the khan to succeed he was able to become unforgettable even immortal in the pages of history because of his remarkable abilities genghis khan formed an army so formidable that their enemies fell in defeat he did this by requiring loyalty from his followers and training an elite army of 100 000 men often less men than his opposing forces but stronger and more agile scroll to the top of the page and click add to cart to read more about this extraordinary forgotten chapter of history

an epic account of how a new world order under tamerlane was born out of the decline of the mongol empire by the mid fourteenth century the world empire founded by genghis khan was in crisis the mongol ilkhate had ended in iran and iraq china s mongol rulers were threatened by the native ming and the golden horde and the central asian mongols were prey to internal discord into this void moved the warlord tamerlane the last major conqueror to emerge from inner asia in this authoritative account peter jackson traces tamerlane s rise to power against the backdrop of the decline of mongol rule jackson argues that tamerlane a keen exponent of mongol custom and tradition operated in genghis khan s shadow and took care to draw parallels between himself and his great precursor but as a muslim tamerlane drew on islamic traditions and his waging of wars in the name of jihad whether sincere or not had a more powerful impact than those of any muslim mongol ruler before him
