setting as a starting point the introduction of the black figure technique in attic workshops at around 630 bce this book attempts a contextual analysis of attic pottery until late in the first quarter of the sixth century bce the shapes and their functions as well as the iconographic themes are explored through this perspective this offers an interesting insight into funerary cultic and profane activities in athens and the attic countryside which is completed by an extensive study of the trade and distribution of attic vases during this period the result is a complete overview of early black figure attic production enabling an afresh archaeological approach to late seventh and early sixth century attic society

this new edition of the standard work the englishman s hebrew concordance of the old testament is an improved and corrected edition that features a new larger format now

coded to strong s it is invaluable in bible study for those who do not know hebrew a new index of out of sequence strong s numbers allows the reader to quickly and easily locate any word by its strong s number the hebrew and english indexes have been retained

includes index 1 v

this compilation of 20 essays is the fruit of a two day sanctuary symposium sponsored by the tucson ecumenical council s task force for central america in addition to the principal presentations of that symposium the book contains a history of the sanctuary movement an appendix on how to establish a sanctuary and an analysis by dr elie wiesel on what it means to be a refugee the essays by scholars refugees and sanctuary workers reflect the struggle to be loyal to visions of faith with committed action that challenges the principalities and powers of our day the book is divided into six themes in the first there is dr wiesel s speech and a brief history of the sanctuary movement in the united states since 1979 involving central american refugees and their struggles with the immigration and naturalization service ins the emphasis is mostly on el salvador honduras guatemala and the us involvement part two treats the theological and biblical perspectives on sanctuary from calvinist hebraic and other points of view the third section traces the historical perspective on sanctuary and central america part four analyses the ethical legal and human rights perspectives on sanctuary part five includes three speeches by refugees themselves including one on being a minister and a refugee the last section deals with the specific challenge to the american conscience of the refugee question and the sanctuary movement
