with peace finally descending on the romanian grey wolves longtime fae ambassador to the wolves perizada has been given a new mission by the great luna but peri s desire for revenge against her sister lorelle burns in her heart further complicating matters the great white wolf lucian lupei has been returned to the pack after centuries trapped in the dark forest and it appears he is destined to be with peri can she put aside her thoughts of vengeance long enough to accept lucian s love and complete her mission

because i created you for such a time as this the great luna s words ring true for every member of the romanian pack not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path time and time again the great luna s warriors have faced depraved adversaries and each time they ve risen to the challenge with fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them the order of the burning claw has been dealt a near fatal blow but this has only made them more dangerous like a cornered wolf injured and desperate alston the former high fae and leader of the order continues to wage war on fane and his allies cain the vampire king has other plans and they no longer include membership in the crumbling faction he has discovered some powerful new allies the very humans he once attempted to subjugate could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races in the end one species will reign supreme one king will stand victorious the rest will bow or die

the romanian grey wolves have been kicked beaten and stomped assailed from every side yet every time evil thinks it s gotten the upper hand the wolves come

roaring back to protect their own no darkness can stand against them especially when they fight united with their supernatural allies but what happens when the darkness refuses to stand and fight instead it flees spreading across an entire continent infecting the supernatural races as it goes will the wolves be able to stand against the hidden darkness the order of the burning claw or will they crumble as it shakes them to their foundations sally the group's gypsy healer is home with her pack seemingly recovered from the psychic assault against her mind unbeknownst to the pack and its leaders however something sinister has followed in her wake vasile and his wolves will need the help of thalion prince of the elves if they are to find a way to fight the veiled evil threatening both human and supernatural alike but thalion has his own mysteries to unravel his father ludcarab the elven king is discovered alive after having been lost for centuries and neither thalion or vasile could possibly guess that ludcarab might be the key to solving the puzzle of the burning claw

supernatural war is on the horizon and no one will escape unscathed enemy after enemy foe after foe has fallen before the combined might of the romanian grey wolves and their allies among the supernatural races but now the alliance doesn't fight a single supernatural threat it's no longer a single coven of vampires a lone deranged warlock or a rogue pack that threatens their safety now the wolves face a unified force of evil the order of the burning claw the order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever and they've just recruited one of their most powerful members the order will stop at nothing to gain power including kidnapping the pack's children and its beleaguered healer the romanian pack would love nothing more than to bring the wrath of the great luna down upon their foes but how can they do that when their enemies hold captive the pack's greatest treasures before this is over bonds will be tested a new leader will rise and all hell will break loose

the romanian and serbian canis lupus rest in an uneasy peace one of their own sally miklos the young and powerful gypsy healer aids perizada in her quest to defeat volcan a long forgotten nightmare returned to our world these two packs watch as their brothers across the world wolves from spain ireland and america join their own forces in the battle against the evil dark fae at the same time the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers while jacque and jen miss sally their longtime best friend they have bided their time dealing with their own domestic issues jacque and fane are anticipating the birth of their first child and jen and decebel face the challenges of caring for an infant both girls are eagerly awaiting sally's return and have perizada's word that she will be back in time for the birth of jacque's baby vasile and alina the alpha pair of the romanian pack are enjoying this time of peace but vasile did not become the most powerful alpha in centuries by being a fool he has lived long enough to know that there is always another battle on the horizon as long as evil exists in this world his race must step forward and stand in the gap shielding those who cannot protect themselves but the battle he is anticipating is bigger than he could have ever imagined as perizada has recently discovered creatures of the night that have for so long remained hidden from the human realm have slithered from their underground lairs and begun preying on the young and innocent the high fae has declared war and she expects vasile and his wolves to be the ones to carry out the attack the alpha is more than happy to oblige but with his first grandchild on the

way and the gift of five vulnerable healers coming under the wolves protection he understands that he must be very careful not to place any of them in harm s way such is the job of the alpha protector and provider he and those he leads must stand as sentinels and warriors to safeguard those they love and the humans who know nothing of the supernatural world it will be their job to destroy the creatures that threaten to expose them all and if they fail the world as they know it both human and supernatural will never be the same

to become a witch or not to become a witch that is the question at least that s the question kara heather and stella three of the gypsy healers are facing the high fae ambassador perizada the healers and a host of wolves are in a race against time to create the witch army that volcan desires but they must also keep the gypsy healers beings of pure light and goodness from becoming evil in the process should be a piece of cake meanwhile the werewolf males are fighting their innate hunger to mark their mates and finish the blood rites thereby keeping their own darkness at bay if they remain unbound a chink forms in the packs armor one that volcan won t hesitate to exploit when he finds it

long ago during the great purge the witches that had grown too many in number and too powerful were destroyed the high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified so they killed all of the witches and their creator or so they thought but they were wrong volcan the high fae who had once been a member of their council until he decided he wanted to be all powerful and created the witches had bided his time hiding in the dark forest now he s back and hell bent on rebuilding his army of witches only this time he s set his eyes on the gypsy healers to be the tool from which he creates them he already has two of the newly found healers jewel and anna with his blood running in their veins and though he thinks he s got it all planned out what volcan hadn t calculated into his formula of healers his blood witches was the healer s mates dalton and gustavo both males are more than ready to sink their teeth into the high fae who has taken their females with the darkness closing in on all four of them it is a toss up as to who will succumb to it first mean while the healers and wolves peri had stashed in the pixie realm are sitting ducks with the veil between them and the human realm locked the mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm perizada is once again fighting for those who are under her protection while at the same time trying not to kill them herself considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff period it s not certain who will destroy who the only thing that was certain none of them was willing to surrender throw in a powerful eccentric djinn who has suddenly gotten bored and things are guaranteed to get messy this is the continuation of the story of the five gypsy healers the fae who protects them and the wolves whose wrath will consume any who come between them

the vampire king s army of vampire werewolf hybrids is spreading across america slaughtering everything in its path aided by celise a sprite driven mad by despair and armed with a book that grants unimaginable power cain s hybrids can strike anywhere and at any time but the hybrids aren t the sprite s most powerful weapon that distinction belongs to an innocent pack member drawn into a web of betrayal by celise s wicked lies already pressed on all sides the wolves allied forces must race to uncover a deadly secret being kept by one of their own if they fail

even their combined strength won't be enough to stop the evil forces hellbent on nothing less but a complete annihilation of humankind the hour of reckoning has arrived and even the deepest love may not be enough to heal the wounds that come from within the fate of the grey wolves hinges on their willingness to fight forgive and make unfathomable sacrifices

a pack is made up of many members and each of those members has his or her own story to tell the following is a collection of four stories of the romanian greys and their allies sacred silence i thought nothing could be eviler than desdemona or reyaz or any other villain we've faced down i was wrong i read all the books i could devour on the beauty of parenthood i thought i was ready but nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones jen resounding silence duty sacrifice service and discipline these were the characteristics that described cyn the warrior fae though love was out of her reach she thought this life was all she needed she had never been more wrong a chance meeting with the prince of the elves turns her carefully structured world upside down piercing silence it's been six months since jacque lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again six months since she and fane found out that jen and decebel would not be the only couple adding a new pup to the pack six months of peace and quiet other than jen running her mouth incessantly about sally getting to go on an adventure with peri while she has to miss all the fun when she isn't complaining about that she spends her time commenting on how jacque's butt is getting wider by the minute jacque doesn't know it but the reprieve was about to be over forgotten silence filthy disgusting unworthy trash the same thoughts keep swirling in sally's mind she's broken and no one can fix her not her friends try as they might and not her beautiful mate she'd thought when costin had rescued her from jericho's clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an ocean side bar that one day she might find some peace perhaps with time she could forget the horrible things she'd done perhaps she could forget how she had betrayed her one true mate now several weeks later the memories and the nightmares have only grown stronger

darkness has descended on the transylvanian alps the grey wolves series continues as the pack recovers from betrayal by one of their own an alpha hellbent on becoming the most powerful canis lupis on earth and though the wolf's assassination attempt on vasile the leader of the romanian greys failed he's left destruction death and a missing mate behind him the rogue alpha fled but he's left a surprise for the romanian pack a witch intent on destroying the romanian grey wolves a devastating curse threatens to cripple decebel and could dissolve his fragile bond with his mate jennifer meanwhile injured and alone jen has been fighting for her life she has come to terms with her fate accepting she will not share a life with decebel until help comes in the most unexpected form but will it be in time the romanian pack will have to use all its resources including sally the pack's new gypsy healer to find a way to destroy the witch lift the curse and solve a mystery that's surrounded the wolves for 300 years what readers are saying about this series all time favorite wolf series my new favorite series i went through all 6 in under 5 days i could not put them down best series ever if you haven't started with volume one stop go back and read all 7 books in order you'll be glad you did if you like shifter series then you'll love the grey wolves series the grey wolves series has

over 100 thousand five star reviews across all platforms don't start this series unless you're ready to join the pack you will get hooked

the last few days have been the darkest of sally's life after experiencing the joy of finding her mate she now suffers the pain of losing everything she holds dear both the romanian and serbian packs have been captured ripping sally's soul mate away from her almost as soon as she had found him her best friend and the emotional glue that usually holds sally together jacque pierce lies writhing in a restless coma having been put down by desdemona's dark magic jennifer adams the unshakable one has revealed to her friends and her mate that she is pregnant but the fates have marked her unborn baby for death though she rails against the darkness deep inside jen knows that decebel's baby must die as payment for her own life and the knowledge is tearing her soul to pieces

though the serbian pack has been brought to heel thanks to the downfall of their alpha the war is far from over desdemona a witch of unfathomable power has escaped the wolves' wrath but she will not go quietly into the night she takes refuge in a place where even the smallest sliver of light does not dare to enter though she had to flee she has not given up on the treasure she wishes to acquire her depravity knows no bounds she's even willing to search for the one who can assist her in opening a veil that has not been opened in millennia with good reason the danger is incalculable meanwhile there are major changes rippling through the romanian grey wolves decebel has become alpha to the serbian pack in an effort to begin to unite the canis lupis species their numbers are dwindling in the wake of the shortage of true mates and lack of offspring the wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides but the winds of change are blowing changes that will alter the future of not only the canis lupis but of another ancient race as well amidst all of this sally is continuing to come to terms with her relationship with the playful charming flirty unbelievably handsome bartender who happens to be a member of the romanian pack if all that weren't enough the fates have decided to pay a little visit to jen it's time to collect she cheated the fates of a life her life now they want what they are due the problem it's more than jen is willing to pay yes the war is indeed far from over bargains will be struck declarations will be made sacrifices will be given love will be tested and trust will be questioned as evil makes its stand against them all

jacque's mind wandered as she hovered somewhere between life and death her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the carnage they'd caused to so many innocent families but something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital it wasn't fane he would be with her on the other side she knew that if she died he died too and he wouldn't have it any other way she could feel peri's presence in her body the fae was fighting expending every ounce of her energy to keep her and fane alive and the strain was taking its toll on the fae but why why was the fae fighting as if her own life depended upon jacque's survival jacque was starting to remember someone else someone that depended on her a brand new life precious and perfect her son costin's best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae but the thread holding costin to his own sanity was just as feeble sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone

simply vanished costin didn't know how or where and it was tearing him up inside the young boy titus his adopted son was the only thing that kept his wolf from taking over completely costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight the strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf bethany a dormant who had no idea who or what she was didn't stand a chance

she is and will be until her time comes the warlock queen cypher the warlock king peace has come amid the storm but the cost by which that peace was earned was great the lives of the romanian pack alphas and cypher king of the warlocks now the great luna has declared a period of mourning allowing her children a brief respite in their battle against the order of the burning claw a violation of the command means certain death but peace doesn't extend to everyone lilly pierce the surviving widow of the warlock king must now take his place as the leader of the warlock race unfortunately she's in no condition to do it her heart has been shattered lilly has found love twice in her life and both times it's been ripped away now the warlock clans are looking to their new queen for guidance or waiting for her to falter to keep her throne lilly will have to prove she's worthy of it or risk losing more than just her title the last thing the queen needs in her grief stricken state is to start hallucinating murderer traitor outlaw these are just a few of the words that describe myanin the disgraced djinn warrior and for a time those words didn't bother her but as the djinn becomes more acquainted with the inner workings of the order of the burning claw she begins to understand how truly evil her fellow supernaturals can be is that really the person she wants to be is that the life she wants to lead not long ago myanin would have done anything to get back at her former lover thadrick including murder but an encounter with her creator has the djinn questioning everything including whether she is beyond redemption two women both suffering loss both languishing in their misery both faced with impossible choices is it possible the queen and the djinn could find salvation in one another

how much heartbreak can one person take perizada high fae ambassador mate and friend to those in the romanian pack has lost her way everything about the fae is in question her loyalty her love even her very existence still her friends refuse to give up hope the order's compound has been brought to the ground reduced to ash but can perizada's attack even be considered a victory given the sacrifice made to achieve it what of the innocents trapped within the compound's walls were any of those lives spared even with all they have faced the challenges the loss and pain fane jacque their pack and allies remain steadfast in their fight against evil past experiences give them hope that not all is as it seems perhaps there are hearts that still beat where others perished and always with them is their creator the great luna an ever present help in trouble she offers light when there is only darkness love when the heart is broken and forgiveness when transgressions overwhelm them their battle is far from over but there is no victory without

sacrifice there is no light without darkness there is no joy without sorrow there are no miracles without faith

the romanian grey wolves have been through hell and back a month remains of the mourning period decreed by the great luna and jen has decided it's time for the pack to celebrate the many blessings they've missed over the years because of all the battles they've faced as usual there's a little crazy a lot of funny and most of all the loyal love of the pack as they deal with all the chaos that comes with the holidays up on the rooftop werewolves hide jen's to do list is miles wide all through the years so much they've missed let's celebrate them all jen insists ho ho ho all better go ho ho ho don't be slow up on the rooftop click click click the claws are out on the crazy wolf chick first comes the stocking of little slate watch out santa you might get ate thia needs some soap and her mouth washed out oh jingle hell is her favorite shout ho ho ho titus says to go ho ho ho he's a hunting pro down through the halls sneak sneak sneak all around the corners so aunt jen will freak up in the night sky the moon shines down the great luna's love is all around her wolves have learned what they never lack hope grace and lots of love for the pack

dalton black never thought he'd find his true mate his dark past convinced him that he could never be worthy of one but the great luna did not agree she saw fit to give him a gypsy healer the purest of heart among their kind and now that he's finally found her she slips through his grasp and into the hands of volcan a corrupt high fae driven mad by his own need for power now dalton with help from his own powerful friends must find jewel and rescue her before volcan can use her blood to create witches and once again throw off the balance of good and evil as their journey begins perizada will once again lead a group of wolves on a hunt to bring down evil but little do they know that volcan is just a drop of blood in the sea of

supernatural beings about to darken their path

the fight for dominance begins the period of mourning for the great alphas vasile and alina is over but some refuse to move on the high fae perizada vows never to experience the loss of her friends her family again she knows the only way to do this is to take on the order of the burning claw herself but her mate would never allow it so she does the only thing she can severing all ties with her allies peri's decision could destroy her enemies the order but it could also destroy everything she holds dear the end of mourning also marks the beginning of challenges to the new alpha of alphas fane lupei rogue wolves who desire to rule in his stead attempt to stake their claims though fane abides by pack law when facing his opponents others aren't so honorable fane soon realizes the threats he faces aren't just against him but against his entire pack skender and the fae tenia fight against the mate bond drawing them closer they both know they cannot be together but the bond is more powerful than either expected meanwhile skender has promised to keep tenia's son torion safe a promise he's willing to die to keep skender soon finds out that there's more to the boy than meets the eye and skender's ability to keep the boy safe could be the key to saving them all
