from fidel castro to qassem soleimani the us government has been involved in an array of assassinations and assassination

attempts against foreign leaders and officials the president's kill list reveals how the US government has relied on a variety of methods from the use of poison to the delivery of sniper rifles and from employing hitmen to simply laying the groundwork for local actors to do the deed themselves it shows not only how policymakers decided on assassination but also the level of presidential control over these decisions tracing the history of the US government's approach to assassination the book analyses the evolution of assassination policies and for the first time reveals how successive administrations through private justifications and public legitimations ensured assassination remained an available tool

a major international security concern that surfaced in the post world war ii period was the emergence and evolution of international terrorism the dominant theme in the evolution of this threat has been anti american terrorism no other country has had its overseas interests subjected to the same level lethality diversity and geographic scope of international terrorist activity as the united states this five volume work chronicles the development of this threat through 12 US presidential administrations over a 70 year period it assesses the terrorist threat in the US and overseas and how the government responded the expansion of the field of terrorism in academia think tanks institutes and the private sector over this period is also addressed volumes i and ii covered the eisenhower through to the george h w bush administrations this volume documents the terrorist threat faced by the clinton administration 1993 2000 and how it responded it was during this administration that osama bin laden and al qaeda emerged as major terrorism actors and the planning and preparation for the september 11 2001 terrorist attacks took place the 1993 world trade center bombing 1993 battle of mogadishu 1995 oklahoma city bombing 1996 khobar towers bombing 1998 bombings of the US embassies in kenya and tanzania and 2000 bombing of the USS Cole missile destroyer also occurred during this period importantly this book is the first to address in detail a plan neglected by the media and suppressed by the US government to kill president clinton during a visit to manila in november 1996 in which al qaeda was suspected executive orders presidential decision directives domestic legislation international treaties special counterterrorism units terrorist renditions presidential findings public diplomacy and counterterrorism actions are also examined

even great heroes eventually grow old decades after saving the world a band of brave heroes now live quietly in peaceful retirement as their final days await just beyond the horizon knowing time is short ferd the hero longs to reunite with his old friends and meet his great grandchild while he still can in the company of his wife elrica the saint ferd sets off on a transcontinental journey to see their comrades and finally visit their family abroad yet their last hurrah is bound to be anything but ordinary after all wherever legends of great tread great trouble is sure to follow only one question remains is there any problem the greatest heroes of their age can t solve

known terrorists are often targeted for death by the governments of israel and the united states several thousand have been killed by drones or by operatives on the ground in the last twenty years is this form of killing justified is there anything about it that should disturb us in this for and against book political theorists jeremy waldron and tamar meisels engage in extended debate to illuminate these issues they consider the actions of targeting and hunting down named individuals and they address concerns about the possibility of this practice getting out of hand and being extended beyond the realm of counter terrorism

in october 1943 frederick bailey a wireless operator who had trained with the royal armoured corps was selected for special operation executive s wireless training centre at fawley court henley on thames it was the start of an incredible wartime career that saw fred serve behind enemy lines in both the european and far east theatres with his training complete and having adopted the fieldname ruf sergeant bailey became a member of one of the famous jedburgh units team citrën the jedburghs generally consisted of compact teams of three men usually an officer a radio operator and a soldier from the country the team was to be dropped into together with major john smallwood and captain pierre bloch a french foreign legionnaire bailey as team citrën s radio operator was dropped in into the lagarde area of the vaucluse region in occupied france by an american aircrew from algiers during the night of 11 12 august 1944 their mission was to support the local resistance groups in the rear of the german units trying to hold back the allied forces sweeping through france after d day as maxine harcourt kelly reveals the fear of bailey s transmissions being intercepted by the germans as well as the constant danger of their location being revealed by informers meant that team citrën was constantly on the move d

this on one occasion the group knocked out an enemy tank with the help of an intrepid young frenchman who ran up to it armed only with a grenade and dropped it through the driver s viewing hatch one morning bailey learnt that a large german convoy was moving along the road from grenoble to lyon he sent a coded message to hq in algiers asking for an immediate air strike a series of mosquito fighter bombers attacked and destroyed the whole convoy fred also caused major disruption to german attempts to withdraw by calling in air support which destroyed a vital bridge fred was mentioned in despatches and awarded the croix de guerre with bronze star by the french with his war in europe over fred volunteered to serve with soe s force 136 in the far east he was duly sent out to burma where he was dispatched into the keren hills to monitor the routes being used by the retreating japanese fred was able to send regular reports on enemy troop movements and direct allied air strikes on one occasion they ambushed a japanese convoy a fierce firefight developed but they slipped back into the jungle before the japanese could counter attack these attacks were so disruptive that the japanese were forced to form a special force to hunt fred s team down as they could not be resupplied fred s team grew weaker before long with nothing to eat but a handful of rice each day the team was beginning to starve it was left with no option but to evacuate even then fred s adventures were far from over in august 1945 he was dropped into malaya tasked with finding any american aircrew who had been shot down and taken prisoner south of kuala lumpur this is the action packed story of one man s remarkable war serving in allied special forces units behind enemy lines in both occupied europe and the far east

screaming at the television compulsively firing off tart little tweets and blogging until we are blue these signal that we are feeling the effects of dastardly discourse we live in a world where people feel entitled to use words to hurt exploit and publicly degrade humanity we daily consume rhetoric that makes a mockery of decency and civility leaders of key social institutions including government news media and religious organizations who are supposed to be role models of reasoned and compassionate communication are often the ones with the loudest lies and the hardest hate we can change the channel we can unplug we can even encourage others to do the same we may not do so however until we grasp what is fundamentally at risk in our current norms of communication nasty words are just the tip of the dastardly discourse iceberg what lies beneath is a steady flow of propaganda that aims to control our personal narratives this book is about that propaganda the importance of owning our own narratives and improving our own rhetorical capital the ability to analyze and evaluate information for the sake of sustaining human dignity decency and civility

this book explores the ethics of national security intelligence institutions operating in contemporary liberal democracies intelligence collection by agencies such as the cia mi6 and mossad involves practices that are apparently inconsistent with the principles of ordinary morality practices such as lying spying manipulation and covert action however in the defence of

national security such practices may not only be morally permissible but may also under some circumstances be morally obligatory one approach to the ethics of national security intelligence activity has been to draw from the just war tradition so called just intelligence theory this book identifies significant limitations of this approach and offers a new institutionally based teleological normative framework in doing so it revises some familiar principles designed for application to kinetic wars such as necessity and proportionality and invokes some additional ones such as reciprocity and trust it goes on to explore the applications of this framework and a revised set of principles for national security intelligence institutions and practices in contemporary and emerging political and technological settings this book will be of much interest to students of intelligence studies ethics security studies and international relations

only eleven men and one woman are alive today who have made the life and death decisions that come with running the world's most powerful and influential intelligence service with unprecedented deep access to nearly all these individuals plus several of their predecessors chris whipple tells the story of an agency that answers to the united states president alone but whose activities spying espionage and covert action take place on every continent at pivotal moments the cia acts as a brake on rogue presidents starting in the mid seventies with dci richard helms's refusal to conceal richard nixon's criminality and continuing to the present as the actions of a cia whistleblower have ignited impeachment proceedings against donald trump since its inception in 1947 the central intelligence agency has been a powerful player on the world stage operating largely in the shadows to protect american interests for the spymasters whipple conducted extensive exclusive interviews with nearly every living cia director pulling back the curtain on the world's elite spy agencies and showing how the cia partners or clashes with counterparts in britain france germany israel jordan saudi arabia and russia topics covered in the book include attempts by presidents to use the agency for their own ends simmering problems in the middle east and asia rogue nuclear threats and cyberwarfare
