elvis presley and richard nixon are two of the most important and controversial figures of the twentieth century although fame came to them in very different ways they rose from very similar backgrounds of poverty to seek the american dream these two remarkable men both had to face falls from grace but while nixon rebounded from watergate to regain a reputation as a distinguished elder statesman elvis was destroyed by the pressures of fame only to have his image restored after his death here for the first time the remarkable parallels in their lives are examined balanced on the point of their historic december 21 1970 meeting their similarities and differences as american icons are analyzed and numerous photographs including all those taken during their meeting are included together the stories of these two men form part of the essence of american culture

a woman in the audience once handed elvis a crown saying you re the king no honey elvis replied there is only one king jesus christ i m just a singer gary tillery presents a coherent view of elvis s thoughts through such anecdotes and other recorded facts we learn for instance that elvis read thousands of books on religion that his crisis over making bimbo movies like girl

happy led him to writers such as gurdjieff krishnamurti and helena blavatsky and that while driving in arizona an epiphany he had inspired him to learn hindu practice elvis came to believe that the christ shines in everyone and that god wanted him to use his light to uplift people and so he did elvis s excesses were as legendary as his generosity yet despite his lethal reliance on drugs he remained ever spiritually curious when he died he was reading a scientific search for the face of jesus this intimate objective portrait inspires new admiration for the flawed but exceptional man who said all i want is to know and experience god i m a searcher that s what i m all about

the story of american popular music is steeped in social history race gender and class its evolution driven by ephemeral connection to young audiences from benny goodman to sinatra to elvis presley to the beatles pop icons age out of the art form while new musical styles pass from relevance to nostalgia within a few years at the same time perennial forms like blues jazz and folk are continually rediscovered by new audiences this book traces the development of american music from its african roots to the juke joint club and concert hall revealing a culture perpetually reinventing itself to suit the next generation

how lincoln learned to read tells the american story from a fresh and unique perspective how do we learn what we need to know beginning with benjamin franklin and ending with elvis presley author daniel wolff creates a series of intimate interlocking profiles of notable americans that track the nation s developing notion of what it means to get a good education from the stubborn early feminism of abigail adams to the miracle of helen keller from the savage childhood of andrew jackson to the academic ambitions of w e b du bois a single fascinating narrative emerges it connects the illiterate sojourner truth to the privileged jack kennedy takes us from paiute indians scavenging on western deserts to the birth of henry ford s assembly line and as the book traces the education we value both in and outside the classroom it becomes a history of key american ideas in the end how lincoln learned to read delivers us to today s headlines standardized testing achievement gaps the very purpose of public education all have their roots in this narrative whether you re a parent trying to make sure your child is prepared a teacher trying to do the best possible job or a student navigating the educational system how lincoln learned to read offers a challenge to consider what we need to know and how we learn it wide ranging and meticulously researched built mostly on primary sources this is an american story that begins and ends with hope

many listeners first heard hound dog when elvis presley s single topped the pop country and r b charts in 1956 but some fans already knew the song from big mama thornton s earlier recording a giant but exclusively r b hit in hound dog eric weisbard examines the racial commercial and cultural ramifications of elvis s appropriation of a black woman s anthem he rethinks the history and influences of rock music in light of rolling stone s replacement of presley s hound dog with thornton s version in its 2021 500 greatest songs of all time list taking readers from presley and thornton to patti page s doggie in the window the stooges i wanna be your dog and other dog ditties weisbard uses hound dog to reflect on one of rock s fundamental dilemmas the whiteness of the wail

an essential work for rock fans and scholars before elvis the prehistory of rock n roll surveys the origins of rock n roll from the minstrel era to the emergence of bill haley and elvis presley unlike other histories of rock before elvis offers a far broader and deeper analysis of the influences on rock music dispelling common misconceptions it examines rock s origins in hokum songs and big band boogies as well as delta blues detailing the embrace by white artists of african american styles long before rock n roll appeared this unique study ranges far and wide highlighting not only the contributions of obscure but key precursors like hardrock gunter and sam theard but also the influence of celebrity performers like gene autry and ella fitzgerald too often rock historians treat the genesis of rock n roll as a bolt from the blue an overnight revolution provoked by the bland pop music that immediately preceded it and created through the white appropriation of music till then played only by and for black audiences in before elvis

birnbaum daringly argues a more complicated history of rock s evolution from a heady mix of ragtime boogie woogie swing country music mainstream pop and rhythm and blues a melange that influenced one another along the way from the absorption of blues and boogies into jazz and pop to the integration of country and caribbean music into rhythm and blues written in an easy style before elvis presents a bold argument about rock s origins and required reading for fans and scholars of rock n roll history

a collection of essays written in celebration of the fiftieth anniversary of the grand ole opry that provides portraits of the personal lives and careers of nineteen country music stars with a chapter devoted to early pioneers such as fiddlin john carson and carl t sprague

also time tables of railroads in central america air line schedules

a handsome and critical addition to the library of every historian genealogist and civil war buff this rare two volume set is the official record of minnesota s participation in the civil and dakota wars published in two parts in the 1890s and written by the men who fought in battle minnesota in the civil and indian wars contains regimental rosters names lists with ages muster dates transfers and remarks as well as detailed narratives describing the wartime service of each regiment battery battalion and brigade their marches campaigns battles surrenders wounded lists furloughs reenlistments and return to minnesota letters telegrams and descriptions related to the development of the dakota war including dispatches written from the field offer a personal face to this wartime history included for the first time is a 144 page index to all the regimental rosters making this an invaluable research tool together these volumes are the essential reference for minnesota s troops and their campaigns

i historical sketches and rosters of minnesota organizations in the civil and indian wars list and short record of general officers appointed from minnesota and of other minnesota officers who were brevetted as general officers list and short record of officers appointed from minnesota in the volunteer staff corps list of appointments in the united states army from minnesota 1861 1870 list of officers and enlisted men promoted from minnesota volunteers to be commissioned officers in united states colored troops the indian war of 1862 1864 and following campaigns in minnesota by c e flandrau roster of citizen soldiers engaged in the sioux indian war of 1862 comp by c e flandrau ii official reports and correspondence relating to the organization and services of minnesota troops in the civil and indian wars 1861 1865

rock n film presents a cultural history of films about us and british rock music during the period when biracial popular music was fundamental to progressive social movements on both sides of the atlantic
