discourse and language education is part of the cambridge language teaching library series

this book disseminates current information pertaining to the modulatory effects of foods and other food substances on behavior and neurological pathways and importantly vice versa this ranges

from the neuroendocrine control of eating to the effects of life threatening disease on eating behavior the importance of this contribution to the scientific literature lies in the fact that food and eating are an essential component of cultural heritage but the effects of perturbations in the food cognitive axis can be profound the complex interrelationship between neuropsychological processing diet and behavioral outcome is explored within the context of the most contemporary psychobiological research in the area this comprehensive psychobiology and pathology themed text examines the broad spectrum of diet behavioral and neuropsychological interactions from normative function to occurrences of severe and enduring psychopathological processes

an excellent overview of african american lgbt and other minority group conservatives the new republic in guess who s coming to dinner now angela dillard offers the first comparative analysis of a modern conservatism that cuts across boundaries of race ethnicity gender and sexuality to be an african american and a conservative or a latino who is also a conservative and gay is to occupy an awkward and contested political position dillard explores the philosophies politics and motivation of minority conservatives such as ward connerly glenn loury linda chavez clarence thomas and bruce bawer as well as their tepid reception by both the left and right welcomed cautiously by the conservative movement they have also frequently been excoriated by those african americans latinos women and lgbt people who view their conservatism as betrayal dillard s comprehensive study among the first to take the history and political implications of multicultural conservatism seriously is a vital source for understanding contemporary american conservatism in all its forms dillard analyzes the famous clarence thomas linda chavez the obscure elizabeth wright s black conservative newsletter issues and views and the in between the memoirs of the gay conservative marvin liebman the new york times

interviews with doris betts fred chappell shelby foote jesse hill ford george garrett larry l king marion montgomery willie morris guy owen walker percy reynolds price james whitehead what does it mean to be a southern writer in the 1970s what is the nature of today s south and what prospects does it offer a writer these twelve interviews with writers of fiction poetry and nonfiction elicit some thoughtful and revealing answers because the interviews were taped there is a spontaneity that brings forth the personality of each writer and provides a text that is interesting and entertaining as well as instructive in the first interview with shelby foote to appear since the early 1950s the mississippi novelist discusses his fiction and extensive writing on civil war history a thoughtful conversation with walker percy ranges over his three novels and reveals their philosophical roots marion montgomery speaks perceptively about his fiction and poetry as ceremonial efforts to reconcile the private act with the public act a two part interview with reynolds price suggests the nature of one novelist s mind as he chronicles a world beneath the one other people perceive that world which seems to impinge upon to color to shape the daily world we inhabit willie morris tells about growing up in mississippi about going home to yazoo and about the effect of new york on his southernness while larry l king speaks of race relations literature and texas and talks frankly about how he and morris came to resign from harper s the short story is doris betts forte and she comments significantly on the form which allows her to speak briefly on long subjects the business of writing is as irrational as kite flying observes george garrett in a candid discussion of the publishing world his own ups and downs as a writer and his latest novel the death of the fox jesse hill ford talking about his fiction and his writing career speaks up proudly for the south nest to a bulldozer blade a magnolia is probably the hardest damned thing in the world both the mountain country of north carolina and the fantastic landscapes of his imagination have influenced fred chappell who remarks on the grotesque in his novels and poetry guy owen tells about his interacting roles as fiction writer poet editor and teacher his compelling interest in the lumbee indians of north carolina and his experience with hollywood poetry the novel football and a passion for teaching are the subjects of a provocative and free wheeling conversation with james whitehead have you ever stopped to think that for the first time there have been no rational rewards for writing in the way that there were in the past nowadays it s about as rational as saying what do you do for a living well i m a kite flyer i mean there s not a great demand for kite flyers around there may be a few who draw a little money therefore today writing appeals to a different mentality a shakespeare today might be doing something else that s more rational now the other thing is that because this is true fundamentally writing doesn t matter in the world of commerce it has a certain kind of i wouldn t say purity but freedom that is never had george garrett

interpersonal rejection ranks among the most potent and distressing events that people experience romantic rejection ostracism stigmatization job termination and other kinds of rejects have the power to compromise the quality of people s lives as a result people are highly motivated to avoid social rejection and indeed much of human behavior appears to be designed to avoid such experiences yet despite the widespread effects of real anticipated and even imagined rejections psychologists have devoted only passing attention to the topic and the research on rejection has been scattered throughout a number of psychological subspecialties including social clinical developmental and personality psychology this volume brings together contributors whose work is on the

cutting edge of rejection research providing a readable overview of recent advances in the field in doing so it not only provides a look at the current state of the area but also helps to establish the topic of rejection as an identifiable area for future research

symbolic play the development of social understanding describes the development of symbolic play from infancy through the preschool years this text is divided into 12 chapters that focus on make believe as an activity within which young children spontaneously represent and practice their understanding of the social world the first chapter introduces the development of event schemata produced in symbolic play about children's management of the playframe and about the development of subjunctive or what if thought the next chapters are devoted to the development of joint pretending specifically the use of shared scripts in the organization of make believe play and the subtleties of metacommunication these chapters also emphasize the supporting role of the mother in early collaborative make believe these topics are followed by discussions of the child's growing ability to represent the internal states of the inanimate figures whose doing can vicariously enact the remaining chapters focus on social interaction through symbolic play with dolls toy animals object props and language this book will prove useful to psychologists and researchers in the fields of human development society and family

philosophers have long been interested in love and its general role in morality this volume focuses on and explores the complex relation between love and justice as it appears within loving relationships between lovers and their wider social context and the broader political realm special attention is paid to the ensuing challenge of understanding and respecting the lovers personal autonomy in all three contexts accordingly the essays in this volume are divided into three thematic sections section i aims at shedding further light on conceptual and practical issues concerning the compatibility or incompatibility of love and justice within relationships of love for example are loving relations inherently unjust might love require justice or do love and justice belong to distinct moral domains the essays in section ii consider the relation between the lovers on the one hand and their broader societal environment on the other specifically how exactly are love and impartiality related are they compatible or not is it unjust to favor one's beloved finally section iii looks at the political dimensions of love and justice how for instance do various accounts of love inform how we are to relate to our fellow citizens if love is taken to play an important role in fostering or hindering the development of personal autonomy what are the political implications that need to be addressed and how in addressing these questions this book engenders a better understanding both of conceptual and practical issues regarding the relation between love justice and autonomy as well as their broader societal and political implications it will be of interest to advanced students and scholars working on the philosophy of love from ethical political and psychological angles

this book is a groundbreaking study of etiquette in the nineteenth century when the success of etiquette books reached unprecedented heights in Britain France Italy the Netherlands and the United States it positions etiquette as a fully fledged theoretical concept within the fields of politeness studies and historical pragmatics after tracing the origin of etiquette back to Spanish court protocol the analysis takes a novel approach to key aspects of etiquette its highly coercive and intricate scripts the liminal rituals of social gatekeeping the fear of blunders the obsession with precedence interrogating the complex relationship between historical etiquette and adjacent notions of politeness conduct morality convention and ritual the study prompts questions on gender stereotyping and class privilege surrounding the present day etiquette revival through adopting a unique comparative approach and a corpus based methodology this study seeks to revitalise our understandings of etiquette this book will be of interest to scholars of historical linguistics and pragmatics as well as those in neighbouring fields such as literary criticism gender studies and family life domestic and urban spaces
