andrew james writes about the wretched life of an individual taxed too heavily by an abusive and excessive u s government the main character of the story andrew henry resides in rural upstate new york and in his diary he writes in a capitalistic society the government should create and enforce laws not redistribute the wealth to give to one person it must take from another and for average income earners and the working poor this burden is too great the u s government has become a socialist regime as opposed to a capitalistic state and its quest for control of america s money has elevated its involvement in the economy to a level that borders on communism not only is the government s extreme redistribution of wealth unfair it should be illegal since the current collective tax rate of 59.1 percent infringes on the dreams ambitions and desires of working families and individuals see pp 12-14 also the designed inequities of the american tax system discriminate against and persecute certain citizenry in the united states of america discrimination in any form should be illegal later in the story america is attacked by a substantial multinational invasion force henry finds shelter in an ohio fallout shelter while his wife and daughter find shelter in an upstate new york fallout shelter the many countries harboring past grievances with the united states strike with surprising strategic planning and accuracy while in the shelter henry is protected from the fallout generated from this limited nuclear attack henry describes the shelter construction and protective qualities this book offers a scholarly insight to the culture of rural upstate new york and other american communities that feel overwhelmed by our current tax system it also lends insight to where we may be heading as a peace loving nation in a militarily volatile world it is a must read for politicians military personnel scholars every u s citizen

the third in a four volume work that covers the history of the army medical department from 1775 to 1941 this volume traces the development of the department from its rebirth as a small scattered organization in the wake of the civil war through the trials of the spanish american war and the philippine insurrection up to the entrance of the united states into world war i a time of revolutionary change both in the organization of the u s army and in medicine the period climaxed with the golden age of army medicine when u s medical officers played a leading role in research that developed new and effective weapons in the war against epidemic disease foreword

Yeah, reviewing a book **Nyc Dept Of Sanitation Physical Exam Preparation** could accumulate your near friends listings. This is just one of the solutions for you to be successful. As understood, expertise does not recommend that you have astounding points.
