in the years since the september 11th 2001 attacks the al qaeda phenomenon has become one of the most written about yet crucially misunderstood threats of the 21st century but despite the sheer volume of literature produced during the war on terror period few studies have sought to consider the way this entity has been represented within the news media the bbc the war on terror and the discursive construction of al qaeda addresses this significant gap in knowledge by providing an original and much needed assessment of the various strategies used to depict al qaeda and thus make it meaningful for british television audiences drawing on the work of french philosopher michel foucault and focusing on britain s most watched and trusted news programme the bbc s flagship news at ten bulletin the book provides insight into both the visual and verbal nature of these representations and the way they have shifted over the course of a ten year period while also shedding light upon the broader political and social consequences of the bbc s portrayals in doing so the book not only helps to develop a deeper understanding of the complexity of the bbc s representations and their various shifts and transformations but also details the process through which al qaeda has been pieced together from a range of cultural parts and how ultimately the dominant mode of representation used to portray this entity is one that closely resembles britain s own diverse multicultural self

with a renewed focus on skills and careers the new edition of this bestselling text can help better prepare your students to enter the job market management thirteenth edition vividly illustrates effective management theories by incorporating the perspectives of real life managers through examples cases and hands on exercises students

will see and experience management in action helping them understand how the concepts they re learning actually work in today s dynamic business world from publisher s description
