this new biography of maurice ravel 1875 1937 by one of the leading scholars of nineteenth and twentieth century french music is based on a wealth of written and oral evidence some newly translated and some derived from interviews with the composer s friends and associates as well as describing the circumstances in which ravel composed the book explores new evidence to present radical views of the composer s background and upbringing his notorious failure in the prix de rome his incisive and often combative character his sexual preferences and his long final illness it also contains the most detailed account so far published of his hugely successful american tour of 1928 the world of maurice ravel including friendships and some fallings out with debussy faur diaghilev gershwin and toscanini is deftly uncovered in this sensitive portrait

maurice ravel as composer and scenario writer collaborated with some of the greatest ballet directors choreographers designers and dancers of his time including diaghilev ida rubinstein benois and nijinsky in this book the first study dedicated to ravel s ballets deborah mawer explores these relationships and argues that ballet music should not be regarded in isolation from its associated arts indeed ravel s views on ballet and other stage works privilege a synthesized aesthetic the first chapter establishes a historical and critical context for ravel s scores engaging en route with multimedia theory six main ballets from daphnis et chlo hrough to bol are considered holistically alongside themes such as childhood fantasy waltzing and neoclassicism each work is examined in terms of its evolution premiere critical reception and reinterpretation through to the present new findings result from primary source research undertaken especially in paris the final chapter discusses the reasons for ravel s collaborations and the strengths and weaknesses of his interpersonal relations mawer emphasizes the importance of the performative dimension in realizing ravel s achievement and proposes that the composer s large scale oeuvre can in a sense be viewed as a balletic undertaking in so doing this book adds significantly to current research interest in artistic production and interplay in early twentieth century paris

a charming biography of maurice ravel showing the relationships and events that shaped the music of france s most successful composer many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork
