this devotional is for everyone it was written with a pure heart for those that need encouragement joy peace and most important a connection with their spiritual guide that was its first intention and the last objective as it entered publishing encouraging devotional connections was born as brief email attachments written to pastor juanita's friends and colleagues she wanted each devotional to be touching give hope and bring a sense of humor to those who read them she felt that god was directing her to write these spiritual notes to others for over 10 years pastor juanita admits that it was much later in the process of writing and sharing that the lord quietly said to her that the writings were a book she said in her conversation with the lord a what in time he showed her how many writings were saved in a file on her computer she still replied me write a book and again in time he said it is finished she said so much for that conversation once pastor juanita accepted the purpose for the encouraging writings she obediently began to read over them and they became a manuscript she reported that despite the religious content of using a scripture to guide the thoughts and ending each writing with a prayer she somehow stubbornly never meant the book to be a religious document and even while re-addressing the complication of these texts she wanted this work to not just be for christians but for everyone no matter their persuasions or views she had an overall commitment to touching others with hope peace and the knowledge that they are not alone and that we all share the commonality of daily life challenges questions and dilemmas what is beautiful is that over the seasons these email attachments were being written she was ordained as an elder pastored a church and was the ceo of a non profit agency that provided counseling services to those in need and without money go figure while there is no overlooking who her spiritual guide is she believes in her heart that he loves us all
