beginning with number 41 1979 the university of texas press became the publisher
of the handbook of latin american studies the most comprehensive annual
bibliography in the field compiled by the hispanic division of the library of congress
and annotated by a corps of specialists in various disciplines the handbook

alternates from year to year between social sciences and humanities the handbook annotates works on mexico central america the caribbean and the guianas spanish south america and brazil as well as materials covering latin america as a whole most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research underway in specialized areas

in this dazzling multidisciplinary tour of mexico city mauricio tenorio trillo focuses on the period 1880 to 1940 the decisive decades that shaped the city into what it is today through a kaleidoscope of expository forms i speak of the city connects the realms of literature architecture music popular language art and public health to investigate the city in a variety of contexts as a living history textbook as an expression of the state as a modernist capital as a laboratory and as language tenorio s formal imagination allows the reader to revel in the free flowing richness of his narratives opening startling new vistas onto the urban experience from art to city planning from epidemiology to poetry this book challenges the conventional wisdom about both mexico city and the turn of the century world to which it belonged and by engaging directly with the rise of modernism and the cultural experiences of such personalities as hart crane mina loy and diego rivera i speak of the city will find an enthusiastic audience across the disciplines

beginning with volume 41 1979 the university of texas press became the publisher of the handbook of latin american studies the most comprehensive annual bibliography in the field compiled by the hispanic division of the library of congress and annotated by a corps of more than 130 specialists in various disciplines the handbook alternates from year to year between social sciences and humanities the handbook annotates works on mexico central america the caribbean and the guianas spanish south america and brazil as well as materials covering latin america as a whole most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas the handbook of latin american studies is the oldest continuing reference work in the field katherine d mccann is acting editor for this volume the subject categories for volume 57 are as follows electronic resources for the social sciences anthropology economics geography government and politics international relations sociology

healing practices in mesoamerica span a wide range from traditional folk medicine with roots reaching back into the prehispanic era to westernized biomedicine these sometimes cooperating sometimes competing practices have attracted attention from researchers and the public alike as interest in alternative medicine and holistic healing continues to grow responding to this interest the essays in this book offer a comprehensive state of the art survey of mesoamerican healers and medical practices in mexico and guatemala the first two essays describe the work of prehispanic and colonial healers and show how their roles changed over time the

remaining essays look at contemporary healers including bonesetters curers midwives nurses physicians social workers and spiritualists using a variety of theoretical approaches the authors examine such topics as the intersection of gender and curing the recruitment of healers and their training healers compensation and workload types of illnesses treated and recommended treatments conceptual models used in diagnosis and treatment and the relationships among healers and between indigenous healers and medical and political authorities

providing a concise balanced and incisive analysis of us diplomatic relations with latin america from 1776 to the end of the twentieth century this timely work explores central themes such as the structure of international relations and the pursuit of american national interest by the use of diplomacy cultural imperialism and economic and military power joseph smith examines the rise of the usa as an independent power its policy towards latin american movements for independence the evolution of the monroe doctrine pan americanism dollar diplomacy the challenge of communism highlighting latin american responses to us policy over a significant time span the study documents the development of a complex historical relationship in which the united states has claimed a pre eminent role arousing as much resentment as acquiescence from its southern neighbours including a timely discussion of the current issues of debt trade and narcotics control this unique and valuable study will be of interest to all those with an interest in us and latin american international relations

josé maría de jesús carvajalis both a biography of a mexican postrevolutionary and a study of the development of a new border between mexico and the united states during the crucial decades of the early to mid nineteenth century the work examines the challenges faced by carvajal a bilingual bicultural character in confusing times against the historical backdrop of the history of colonial texas and northern mexico chance has chosen to focus on a political military figure whose career stretches from the texas revolution to the french intervention carvajal played a key role in the violent struggle between the liberal and conservative political factions that vied for control of the republic of mexico from 1830 to 1874 he was the leader of a mercenary army that invaded mexico from the united states in 1851 in an unsuccessful attempt for the creation of the so called independent republic of the sierra madre in addition he played significant roles in the struggle for texas independence and formation of the ill fated republic of the rio grande and he opposed the american occupation of northern mexico during the mexican american war the war of reform that solidified liberal control of mexico under the leadership of benito juarez and the french intervention into mexico carvajal s life and exploits have been largely overlooked by contemporary historians this work sheds new light on several important chapters in the history of texas and northern mexico

tejanos texans of mexican heritage were instrumental leaders in the life and development of texas during the mexican period the war of independence and the texas republic jesús f de la teja and ten other scholars examine the lives careers and influence of many long neglected but historically significant tejano leaders who were active and influential in the formation political and military leadership and economic development of texas in tejano leadership in mexican and revolutionary texas lesser known figures such as father refugio de la garza juan martín veramendi josé antonio saucedo raphael manchola and carlos de la garza join their better known counterparts josé antonio navarro juan seguín and plácido benavides for example on the stage of texas and regional historical consideration this book also features a foreword by david j weber in which he discusses how anglocentric views allowed important tejano figures to fade from public knowledge students and scholars of texas and regional history those interested in texana and readers in latino a studies will glean important insights from tejano leadership in mexican and revolutionary texas

other books deal either with a larger period or specific issues within the years this book identifies few other titles have a national regional local perspective and balance such as adopted here this book sets mexican issues and dilemmas within their international context

a comprehensive overview of mexico s military history from 1810 to the present day including rare facts and information not found online mexico s past is riddled with stories of struggle military battles internal rebellions revolutions and drug wars this in depth reference provides a complete military history of that country since its war of independence in 1810 through the present day from the evolution of combat in the region to the motivations and tensions behind recurrent conflicts to the dubious beginnings of drug gangs and warlords this is the only book of its kind to explore mexican warfare in such great depth this detailed study consists of an alphabetical compilation of roughly 300 entries dealing with different facets of hostile encounters throughout the country s history in addition to covering key places and people regional expert and author david f marley offers unique insights into more obscure topics such as the 1913 aerial bombardments at the port of guaymas visits from american luminaries colorful mexican military slang and the songs that identify various political factions the work includes a host of important historical documents a glossary and an extensive bibliography to encourage further research on the subject

mexican cinema has largely been overlooked by international film scholars because of a lack of english language information and the fact that spanish language information was difficult to find and often out of date this comprehensive filmography helps fill the need arranged by year of release and then by title the filmography contains entries that include basic information film and translated title production company genre director cast a plot summary and additional information about the film inclusion criteria a film must be a mexican production or co production feature length one hour or more silent films excepted fictional documentaries and compilation films are not included unless the topic relates to mexican cinema some docudramas and films with recreated or staged scenes are included and theatrically released or intended for theatrical release

this fourth volume in the ten volume series covers the career of henry clay during his first year as secretary of state in the cabinet of president john quincy adams within a month after taking office henry clay described the department of state as no bed of roses even though routine papers bearing his signature have been omitted by the editors the 950 pages of documents included in this volume show that many duties filled clay s days and nights the evidence in autograph drafts and the meagerness of revision in the official documents indicate the need for major reconsideration of clay s role in united states foreign relations during the presidency of john quincy adams the range of issues emerging in these papers is broad and the duties were obviously more than the limited staff of the department of state could satisfactorily perform but if as a result the united states suffered a major diplomatic defeat during the british revision of trade regulations clay s instructions to the panama mission marked him as a statesman of world stature publication of this book was assisted by a grant from the national historical publications and records commission

this book brings together fourteen articles by prominent historians philosophers

anthropologists and scientists from india and mexico analysing the similarities and interactions between the two countries this interaction has been facilitated by diplomatic and cultural relations notable examples include the manner in which mexican mural art has deeply influenced the works of satish gujral a student of diego rivera and david alfero siquierios the poet octavio paz who was an ambassador of mexico to india imbibed the essence and imagery of mahayana buddhism in his poetry

art in the lives of immigrant communities in the united states is the first book to provide a comprehensive and lively analysis of the contributions of artists from america s newest immigrant communities africa the middle east china india southeast asia central america and mexico adding significantly to our understanding of both the arts and immigration multidisciplinary scholars explore tensions that artists face in forging careers in a new world and navigating between their home communities and the larger society they address the art forms that these modern settlers bring with them show how poets musicians playwrights and visual artists adapt traditional forms to new environments and consider the ways in which the communities young people integrate their own traditions and concerns into contemporary expression

building on the strengths of the first edition the second edition of latin american classical composers a biographical dictionary presents expanded and updated coverage of its topic with an aim to be comprehensive the authors have conducted exhaustive research to fill in gaps and correct minor errors in the first edition adding young composers and documenting deaths since 1996 when the first edition appeared hundreds of composers are represented in this volume which presents biographical data including dates of birth and death personal information about composers background and training and a selective listing of each composer s works sources for further study are noted within each entry an index of composers by country rounds out this work

for secretary of state henry clay and the adams administration 1827 is a year of crisis turbulent relations with latin america are marked by the seizure of american trading vessels off montevideo border strife with britain threatens in northern maine while american retaliation for the closing of the british west indies to u s trade provokes warnings of war from the opposition in congress with the campaign for the next presidency in full swing clay is again forced to defend himself against andrew jackson s charges of bribery and corruption opposition gains in the fall elections foreshadow jackson s 1828 victory but at year s end the resilient clay continues to hope publication of this book was assisted by a grant from the national historical publications and records commission
