duality fulfill self reflexive fantasies and symbolize eternal life and the afterlife the value of twins and twinhood to singletons is evident in psychoanalysis reflections religion and mythology words and politics and yet this is the only book to bring to light the immense depth of this captivating insight twins and deviance challenges and improves previous research by collecting new topics to retool twins and deviance discussions as such it is a must read for students professors and audiences engaging in gender justice sexuality legal and cultural studies and all researchers conducting twin studies
