with this controversial book debbie shares the story of her journey to good health so that the hundreds perhaps thousands with multiple sclerosis ms celiac disease or any of the more than 100 known autoimmune disorders can benefit from her research she empathizes with those who are terrified about possibly dying too soon especially in view of their physicians who either explicitly

say that they can offer no help or who only have a prescription drug that debbie s research has discovered had the very real possibility of causing death debbie hopes and prays that if you know someone with ms or any of the 100 known autoimmune diseases or with symptoms that sound like they could indicate ms you will share this book with them of course be aware that not everyone who has ms or celiac disease will have the same set of symptoms as she had

hectar is a very old vampire by his own standards he is also very knowledgeable about his kind in his own opinion this book was written by hectar to alleviate the problem of young vampires seeking him out to ask questions that most young vampires have barring his ego and that some of his knowledge is flawed it s a rather enjoyable read

this collection of articles presents cutting edge scholarship in hippocratic studies in english from an international range of experts it pays special attention to the commentary tradition notably in syriac and arabic and its relevance to the constitution and interpretation of works in the hippocratic corpus
