technical writing is informative prose concerning mechanical or scientific subject matter the contents of good technical writing has not changed throughout the years but the methods by which we convey this subject matter has changed as a result of the computer and the internet technical writing must be clear concise correct and complete this text conveys the procedures writers need to follow to meet the goal of good technical writing to allow each reader to receive the same meaning from a piece of writing

tony gwynn is the greatest hitter in the history of baseball that s the conclusion of this engaging and provocative analysis of baseball s all time best hitters michael schell challenges the traditional list of all time hitters which places ty cobb first gwynn 16th and includes just 8 players whose prime came after 1960 schell argues that the raw batting averages used as the list s basis should be adjusted to take into account that hitters played in different eras with different rules and in different ballparks he makes those adjustments and produces a new list of the best 100 hitters that will spark debate among baseball fans and statisticians everywhere schell combines the two qualifications essential for a book like this he is a professional statistician applying his skills to cancer research and he has an encyclopedic knowledge of baseball he has wondered how to rank hitters since he was a boy growing up as a passionate cincinnati reds fan over the years he has analyzed the most important factors including the relative difficulty of hitting in different ballparks the length of hitters careers the talent pool that players are drawn from and changes in the game that raised or lowered major league batting averages the introduction of the designated hitter and changes in the height and location of the pitcher s mound for example schell s study finally levels the playing field giving new credit to hitters who played in adverse conditions and downgrading others who faced fewer obstacles his final ranking of players differs dramatically from the traditional list gwynn for example bumps cobb to 2nd place rod carew rises from 28th to 3rd babe ruth drops from 9th to 16th and willie mays comes from off the list to rank 13th schell s list also gives relatively more credit to modern players containing 39 whose best days were after 1960 using a fun conversational style the book presents a feast of stories and statistics about players ballparks and teams all arranged so that calculations can be skipped by general readers but consulted by statisticians eager to follow schell s methods or introduce their students to such basic concepts as mean histogram standard deviation p value and regression baseball s all time best hitters will shake up how baseball fans view the greatest heroes of america s national pastime

patrick mahomes showtime is the ultimate tribute to the kansas city chiefs rapidly ascending quarterback whose prodigious talent and winning personality have made him one of the brightest new stars in the nfl including dozens of full color photographs fans are provided a glimpse into mahomes superb play early in his career as he leads the franchise in pursuit of an ever elusive super bowl triumph this keepsake also explores mahomes early life and college success at texas tech and looks ahead to where he could one day stack up among legendary chiefs names like len dawson derrick thomas and tony gonzalez
