when you make male and female into a single one then you will enter into the kingdom jesus the gospel of thomas for two thousand years the teachings of christianity have changed dramatically especially regarding its founder and inspiration jesus a master of kabbalah and hebrew jesus made the secret teachings public enraging those who were attached to their power and traditions if the lord had not been crucified the destiny of the western world would have been another we would now have sublime enlightened rabbis everywhere preaching christic esotericism the union of christic esotericism secret jewish kabbalah and holy alchemy would have completely illuminated and transformed the entire world yes the mysteries of levi would have shone with the light of christ gnosis da'ath would have magnificently shone everywhere samael and weor although the genuine

eden has always known her place in the grand bathhouse of ukiyo a sanctuary for spirits and gods alike as a lowly human staff member the rules are clear no looking no speaking no touching especially when it comes to the gods crossing their paths is unthinkable but when two devastatingly handsome dragon princes arrive for a soulmate matchmaking event eden's world is thrown into chaos the twin princes are every bit as dangerous as they are beautiful wicked to their core and utterly merciless they seem to take pleasure in tormenting her testing her limits at every turn eden knows she should bow to their status and keep her head down but she can't resist pushing back her fiery defiance becomes her greatest weapon and soon she's not just enduring their games she's playing along what starts as a seductive rebellion turns into something far more dangerous eden never planned to fall for the arrogant sinful brothers and for the twins eden was supposed to be just another plaything in their immortal lives but the fire they spark in her and the craving she awakens in them cannot be ignored when they discover she's their soulmate all bets are off forbidden passion and centuries old traditions collide threatening to consume them all because in a bathhouse filled with secrets and gods love is the most dangerous gamble of all

cephas paulson was born to solve puzzle that nobody else can solve a talent the u.s. government has exploited with deadly results living in

2202 a d his is a world dominated by apathy and hedonism where religion is banned and the few remaining christians hide in the shadows known worldwide as the cult hunter cephas is largely responsible for putting them there now living a quiet life as a religious history professor cephas is reluctantly called out of retirement when the government sends him on a high stakes mission designed to crush christianity once and for all as the puzzles begin to unravel cephas struggles to find the one answer that has always eluded him the solution to his own desire to explore faith rather than destroy it to do so he finds himself walking a dangerous line between two worlds and two beautiful women one represents the temptations of the outwardly utopian world of man while the other the godly world that he s secretly trying to understand unfortunately neither these worlds nor these women are truly what they appear to be leaving cephas to wonder if the cult hunter has become the hunted

in this second of three volumes addressing luther s outlaw god steven d paulson uses several biblical figures ezeziel jonah moses david and more to illustrate luther s understanding of law and gospel and what this means for preaching paulson shows that the challenge of all preaching is revealing god s actual grace without using the law at all the gospel is what freed luther from thinking of the world as split into two an obscure world where law accuses and a magical world where the law blesses with remarkable depth and clarity paulson explores the question where do we find a gracious god for luther it was not in the law but only in the publicly executed and hated god jesus christ hidden in the cross
