a guide to the press of the united kingdom and to the principal publications of europe australia the far east gulf states and the u s a

when it comes to the climate we don't need more marketing or anxiety we need established facts and a plan for collective action the climate is the fundamental issue of our time and now we face a critical decision whether to be optimistic or fatalistic whether to profess skepticism or to take action yet it seems we can barely agree on what is really going on let alone what needs to be done we urgently need facts not opinions insights not statistics and a shift from thinking about climate change as a me problem to a we problem the carbon almanac is a once in a lifetime collaboration between hundreds of writers researchers thinkers and illustrators that focuses on what we know what has come before and what might happen next drawing on over 1 000 data points the book uses cartoons quotes illustrations tables histories and articles to lay out carbon's impact on our food system ocean acidity agriculture energy biodiversity extreme weather events the economy human health and best and worst case scenarios visually engaging and built to share the carbon almanac is the definitive source for facts and the basis for a global movement to fight climate change this isn't what the oil companies marketers activists or politicians want you to believe this is what's really happening right now our planet is in trouble and no one concerned group corporation country or hemisphere can address this on its own self interest only increases the problem we are in this together and it's not too late for concerted collective action for change

in this brief text two leaders of the teaching sociology movement encourage students development of their sociological imaginations through role taking assuming the role of a child living in poverty in india or of a member of an african tribe students learn to re envision their global society an innovative integrated framework provides core sociological concepts while features such as contributing to our social world enable students to do public sociology our social world condensed version presents the perspective of students living in the larger global world

presents an annotated bibliography of general and subject reference books covering the humanities social and behavioral sciences history science technology and medicine
