this book explains why both popular and academic commentators have found it impossible to define masculinity it is because no such thing exists re examining the ideas of thinkers such as sigmund freud and thomas hobbes the author shows that modern societies faced the novel problem of explaining how men and women had equal rights yet led such different lives and solved it by inventing the concept of masculinity it concludes that strong forces in modern societies encourage greater sexual equality and that these are better supported by a politics of equal rights than by encouraging men to personally reform their masculine identity macinnes challenges established ways of thinking about sex gender and masculinity that underpin not only feminist thought but the treatment of these issues across the social sciences philosophy and history publisher description

only then in the epilog can this book s profound vision of human self actualization be at last fully revealed

this book explains why both popular and academic commentators have found it impossible to define masculinity it is because no such thing exists re examining the ideas of thinkers such as sigmund freud and thomas hobbes the author shows that modern societies faced the novel problem of explaining how men and women had equal rights yet led such different lives and solved it by inventing the concept of masculinity

manhood manifesto is a book about men their leadership and the condition of masculinity today we live in the greatest country in the world the united states of america we also live in one of the most dynamic periods of time in history this book is about the opportunity we have as americans especially men this book calls forth the character and skills of american men to who much is given much is expected we live in challenging times and american men are more than capable of meeting those challenges to meet those challenges though there needs to be a willingness and acceptance of the responsibilities required this book looks at where we are and how we got here creating a pathway in which to engage this process is intended to restore the trust affinity and community that has been pushed to its limits in the most recent months and years the book does so in a way that is somewhat irreverent yet respectful serious yet fun and challenging yet empowering mike shereck has a bias toward men simply because he is one if change must occur it will begin with him and those like and near him in mike s view for society s problems to be solved first men must own it from the position of ownership we can now address it that is what is done in this book in a direct bold courageous sometimes shocking always heartfelt and humorous way

master s thesis from the year 2022 in the subject american studies literature grade 1 6 university of flensburg course american literature language english abstract the objective of this thesis is to examine the portrayal of masculinity in contemporary pandemic novels specifically it aims to highlight the positive aspects of male characters and counteract their general neglect it will also explore how men s private and public performances during a pandemic impact society the thesis begins with an introduction outlining the context of the covid 19 pandemic and society s response to it highlighting the role of pandemic fiction as an analogy and familiar routine in times of crisis it then argues for the necessity of examining the representation of masculinity in pandemic fiction as existing research predominantly addresses feminist theories with the analysis of men being either secondary or nonexistent it also emphasizes the need to consider both negative and positive aspects of masculinity the thesis then discusses the definition of masculinity and highlights the necessity of rereading literature from a male perspective it investigates the portrayal of masculinity in the novels station eleven by emily st john mandel severance by ling ma and the end of men by christina sweeney baird focusing particularly on the impacts of men s private and public performances during the pandemic finally it stresses the necessity of a complete examination of gender dynamics to broaden the definition of masculinity and challenge patriarchal norms

in this follow up to refusing to be a man the author discusses new perspectives on intimacy gender and violence as well as re examining ideas of manhood and gender identity in general

what is masculinity is masculinities a more appropriate term how are masculinities socially culturally and historically shaped how are particular masculinities created enacted and represented in specific settings how can masculinities best be researched and theorized masculinities and culture explores how masculinities or ways of being a man are anchored in time and place the products of socio historical and cultural circumstances it examines the emergence of a masculinity fit for empire in the mid to late nineteenth century and by way of contrast the more recent media driven commercial new man and new lad masculinity the author considers some of the media discourses shaping masculinities today and the formation of specific masculinities in specific settings such as prisons hospitals and schools which both define and in turn are defined by strongly held conceptions of acceptable masculine behaviour he concludes by reviewing a range of ways in which masculinities might be researched from fieldwork and auto biographical and life history approaches through to

semiotics and the use of both film and literary texts this lively text provides a comprehensive introduction to contemporary debates concerning masculinities as gendered constructions along with the means of researching and theorizing them

building on the success of the bestselling the sage handbook of grounded theory 2007 this title provides a much needed and up to date overview integrating some revised and updated chapters with new ones exploring recent developments in grounded theory and research methods in general the highly acclaimed editors have once again brought together a team of leading academics from a wide range of disciplines perspectives and countries this is a method defining resource for advanced students and researchers across the social sciences part one the grounded theory method 50 years on part two theories and theorizing in grounded theory part three grounded theory in practice part four reflections on using and teaching grounded theory part five gtm and qualitative research practice part six gt researchers and methods in local and global worlds

two thousand years ago ovid asked his readers to imagine metamorphoses in which men and women became flowers and beasts today before our cinema savvy eyes people melt and re form as altogether new creatures they morph this volume explores what digital morphing means both as a cultural practice specific to our times and as a link to a much broader history of images of human transformation meta morphing ranges over topics that include turn of the century quick change artists mesoamerican shamanic transformation and cosmetic surgery recent works such as terminator 2 star trek deep space nine heavenly creatures and forrest gump and the transformations imagined by kafka proust and burroughs the contributors look not only at the technical wizardry behind digital morphing but also at the history and cultural concerns it expresses

are you tired of the same old beauty standards that have been imposed on women for centuries do you ever wonder how cosmetics and witchcraft can be used as tools for liberation and empowerment are you ready to challenge the status quo and redefine what it means to be beautiful in a patriarchal society inside this book discover how cosmetics can be used as modern day potions to craft your identity and wield power over societal standards of beauty learn about the historical roots of women as healers and how modern feminism draws parallels to ancient practices of female empowerment explore the societal expectations that demand men to be hyper masculine yet criticize them for it and how these constructs serve the interests of women unpack how traditional narratives of women are overshadowed and rewritten and how potions symbolize women s ability to create change and alter their destinies examine the power of emotional intelligence as a feminine trait used to navigate social politics and achieve objectives critiquing the notion that the cosmetic industry is solely a male dominated sphere and how cosmetics empower women financially and socially an exploration of rituals and practices women can use to harness their power and how spells serve as affirmations and tools for manifesting feminist goals projecting a world where female empowerment leads society beyond patriarchal confines and the benefits of women s perspectives in shaping civilization if you want to challenge the status quo redefine beauty standards and empower yourself in a patriarchal society then buy this book today
