the dead sea scrolls were found in caves 20 miles east of jerusalem in 1947 and 1956 now michael baigent and richard leigh co authors of the holy blood and the holy grail have succeeded in uncovering what has been described as the academic scandal par excellence of the twentieth century the story of how and why up to 75 per cent of the eight hundred ancient hebrew and aramaic manuscripts hidden for some nineteen centuries have until very recently remained concealed from the rest of the world through interviews historical analysis and a close study of both published and unpublished scroll material the authors are able to reveal the true cause of the bitter struggle between scholars for these documents disclose nothing less than a new account of the origins of christianity and an alternative and highly significant version of the new testament

in recent years the role of religion in the avant garde has begun to attract scholarly interest the present volume focuses on the work of the romanian jewish poet and visual artist isidore isou 1925 2007 who founded the lettrist movement in the 1940s the jewish tradition played a critical part in the western avant garde as represented by lettrism the links between lettrism and judaism are substantial yet they have been largely unexplored until now the study investigates the works of a movement that explicitly emphasises its vanguard position while relying on a medieval religious tradition as a source of radical textual techniques it accounts for lettrism's renunciation of mainstream traditions in favour of a subversive tradition in this case jewish mysticism the religious inclination of lettrism also affects the notion of the avant garde the elements of the jewish tradition in isou's theories and artistic production evoke a broader framework where religion and experimental art supplement each other
