david bathurst has unlaced his boots to produce this definitive companion to the ten best loved long distance footpaths in the south of britain with each split into manageable sections combining detailed descriptions with an appreciation of the beauty and history of the british countryside this is an indispensable guide for all walkers

an indefatigable walker david bathurst has unlaced his boots to produce this unique companion to the country's most rewarding hilltop trails from the pennine way to the misty malverns his appreciation of the beauty and history of the british countryside and his light hearted style will appeal to experienced and novice walkers alike

wednesday wanders is a book about walking not a guidebook with detailed route descriptions and maps but the journal of a walker looking to broaden his horizons by seeing what could be achieved with an early start and still be home for tea or supper more often weekly adventures setting out from northwest london to explore some of the long distance footpaths of southeast england written in a light hearted humorous but sometimes thoughtful style it's a journal of determination and achievement sitting alongside not a little folly with some inept navigation and unrealistic plans more importantly it's about what happened along the way the fascination of places visited the people met the animals encountered and perhaps most significantly discovering the unexpected beauty and varied countryside in this corner of the country each chapter covers one of the seven routes attempted starting with the london loop although this was the last walk completed chapter two returns to the beginning with a naïve walker setting out on the first stage of the north downs way from farnham to guildford on a wet and travel disrupted day in early november that chapter finishes five months later on a bright but windy spring day along the cliff tops into dover proving that you can indeed complete a long distance path in day trips five more routes are covered the ridgeway ickniel way path the chiltern way greensand way and the hertfordshire way some walks were interrupted by the covid 19 pandemic or the onset of winter when the days were too short to complete their further reaches but all were eventually finished a thousand miles of walking recalled in a diary entry format each outing is dated and the location and mileage given

discover the rich history of britain's millennia old network of pathways and it will be impossible to take an unremarkable walk again a rallying cry to reclaim lost routes and preserve this precious resource for future generations walk magazine hundreds of thousands of miles of ancient paths crisscross our land whether iron age footsteps or anglo saxon mercenary trails railway age tracks or home army defences they reveal a hidden story jack cornish has spent years walking and recording these forgotten routes and the lost paths is his history of the people who created and walked these ways from sheep drovers to cornish miners to workhouse wanderers this tale of the land beneath our feet brings our past to life and puts its future squarely in our hands this is a celebration of an ancient network and a rallying cry to reclaim what has been lost and preserve it for future generations praise for

the lost paths a rallying cry to reclaim lost routes and preserve this precious resource for future generations walk magazine
fascinating country walking a celebration of an ancient network and a rallying cry to reclaim what has been lost and preserve it for
future generations the best of uk a fascinating history of path making and path taking our guide excels at historic story telling
cornish s celebration of our grand wealth of history ways and the different motivations for walking over the centuries is a worthy
clarion call for us to keep treading paths so we don t lose our way the oldie a lively account of millennia of movement and a call to
action to preserve an endangered heritage inkcap journal

this fascinating journey through the beautiful protected area of england explores the history of the chiltern hills and its occupants

this title was first published in 2003 the history of roads in great britain has not been one of steady development but rather one that has waxed and waned in response to social military and economic needs and also as to whether there have been alternative methods of transport available paralleling this the technical aspects of road construction with the one great exception of roman roads can be seen as a fitful progression of improvement followed by neglect as the roadmaker has responded albeit tardily on occasion to the needs of the road user this text describes the technical development of british roads in relation to the needs of the time and thereby touches upon its relation to the history of the country more generally
