the demand for training often exceeds the available resources that s when organizations turn to their subject matter experts these employees often have no training experience but they have valuable information to share with their co workers the train the trainer workshop is the helping hand that no new trainer can do without the facilitator s guide gives you the tips tools checklists and guidelines you need to conduct an effective interactive train the trainer program you ll teach new trainers how to conduct a needs assessment identify their training style design their instructional plan use active training techniques deliver their training evaluate their training and much more

facilitation has proved crucial for enabling the interaction of agricultural innovation system ais actors to address the target and to innovate this guide on training of

facilitators of multi actor agricultural innovation platform is aimed at serving facilitators when multi actor agricultural innovation platforms maips are organized since maips are still an emerging concept there are not many cases to refer to this guide mainly summarizes the experiences from the implementation of maips in permission hazelnuts and honey value chains that fao organized through the eu funded project of development of sustainable and inclusive local food systems in north west region of azerbaijan gcp aze 014 ec and stb initiatives this guide is a guideline tool rather than a textbook for training maips facilitators facilitators should keep in mind that maips advocate learning by doing through practice they should conduct maips by referring to the training activities in this book instead of copying although the authors have tried their best to make this guide applicable to agricultural production and social development in various places it is difficult to cover all the content therefore maips facilitators using this book are encouraged to give full play to creativity and develop training activities and methods sensitive to local characteristics and value chains

help groups deliver results with an updated approach to facilitation and consulting the skilled facilitator a comprehensive resource for consultants facilitators trainers and coaches third edition is a fundamental resource for consultants facilitators coaches trainers and anyone who helps groups realize their creative and problem solving potential this new edition includes updated content based on the latest research and revised models of group effectiveness and mutual learning roger m schwarz shows how to use the skilled facilitator approach to boost improvement processes such as six sigma and lean create a psychologically safe learning environment for training and help coaches work with teams and individuals in real time this edition features a new chapter that explains how to facilitate virtual teams using conferencing technology facilitation skills are essential in many kinds of work and if you are looking to bring your skills up to date it is critical that you rely on trusted information like the knowledge offered in this go to reference develop the facilitative mentality and skills that enable you to help groups get better results even in the most challenging situations help groups achieve greater performances stronger working relationships and higher levels of individual well being quickly develop productive and trusting work relationships with the groups you help establish the functions of your facilitative role implement a research based systematic approach to diagnose and intervene in groups and improve their performance and results the skilled facilitator is a practical resource for corporate government non profit and educational practitioners as well as graduate students in group focused programs this edition contains up to date material based on recent studies to help facilitators move beyond arbitrary tactics to utilize cutting edge research based strategies that improve group processes relationships mindsets and outcomes

the purpose of this manual is to help trainers in future scenario better facilitate training workshops for field officers such as forestry managers extension officers and researchers who are keen to facilitate future scenarios in their forest management projects future scenarios are a diverse and flexible set of methods that can be

used to help forest user groups and decision makers define clear unified objectives identify opportunities or obstacles in the path to their management goals or prepare strategies and action plans for alternate future situations this manual aims to encourage trainers or facilitators of future scenarios to be more reflective about how to structure their training workshop

the trainer s journey to competence draws on jean barbazette s thirty five years of experience in training trainers the book serves as both a useful source of career advice for those in the training field and as a starting point for creating a role specific professional development plan professional trainers can use this resource to assess their knowledge skills and attitudes and use this information to create an individual development plan the book can be equally helpful when creating internal training certification programs for organizations

this highly accessible comprehensive resource shares the passions and key lessons from an all star cast of respected training professionals the authors covers a range of training topics from designing writing delivering measuring and managing training to developing business acumen they have divided the book into five sections designing training delivering training workforce performance and learning measurement and evaluation and professional development including over 60 articles as well as additional resources on a special site helpful checklists case studies and assessments throughout and an easily customizable cd the trainer s portable mentor is ideal for anyone new to the field of training and development as well as veterans looking for succinct practical nuggets they can put to use right away

the peer to peer p2p training approach involves small groups of people from similar social groupings who are not professional teachers helping each other to learn the p2p approach has great potential for rapidly identifying emerging lessons learned and integrating them into wide reaching army training the present research identified the instructional principles and best practices for p2p from academia industry and the military supporting effective p2p training and incorporated them into a soldier friendly facilitator s guide a formative evaluation was conducted with soldiers using the guide to prepare and conduct group discussions for a face to face group setting and a distributed group setting where soldiers were linked via video teleconference one group of soldiers served as facilitators and used the facilitator s guide to prepare and lead discussions with other soldiers who served as learners feedback on the guide was mostly positive with soldiers indicating that the guide provided an appropriate amount of information and a usable format and tools for structuring and fostering group discussions ongoing efforts to transition p2p methods into army training are discussed

multi actors innovation platforms maips are increasingly deployed as a model for participatory and inclusive innovation to address the challenges of sustainability in complex systems like the agri food systems the facilitation of co innovation and multi actor partnerships is critical to the success of maips as a common lesson learned across the multitude of initiatives around the world the guideline was developed for master trainers to train maip facilitators the guideline first gives an introduction to the definiton principles design establishment and facilitation of maips then it explains the principles curriculum development and preparation and implementation monitoring and evaluation of maip training of facilitators courses as well as mentoring of maip facilitators finally the guideline offers a generic structure of maip training of facilitator curriculum it is suggested that this guideline be used as a reference for maip master trainers to formulate context specific training objectives approach learning activities and field based action
