the reason why readers would be so interested is because of the spirituality learning the spiritual side of life how good god really is and how to include the word of god into the equation in every area of their lives whether it be financially physically mentally by faith in which we walk by faith is simply believing that god is our source and not the world economy to understand that god has given us very things that we need to accommodate us in this life most things we can do for ourselves because of the abilities that god has bestowed upon us but the heavenly things we have to declare and decree from heaven such as when we pray whatsoever we pray for believe that we already received them and then you will have them you have to trust god first before you receive whatever it is that you ask for in jesus name it is always have to be in jesus name if not in jesus name then you might have a delay you see that s how the gospel works jesus died for us to have the things that we are so deserving of all we have to do is believe it declare it and decree it and it shall be given to us but if you dont spend time in the word of god then you have no clue what to expect you have no knowledge of all the promises that god said yes to

there is over seventy seven hundred promises in the bible that god said yes to we just have to believe and say yes to them in order to receive the promises of god you see it s simple when you know the word of god for your lives i ve study the word of god for the last ten years of my life so i am a witness to the fact and here s another fact i use to wake up every morning with back pain i would stumble to my feet but once i d reach for my bible and started to read it before i could get through the first paragraph the pain had vanished once i d learn how to pray and study the bible i haven t taken a pain pill since february of 2010 i would like for everyone to experience the goodness of god and the example of jesus christ our lord and savior if only i knew back then what i know now i would have been committed myself to jesus i just pray that everyone will learn to give their lives over to jesus so that s how much i think that my book will be an inspiration to others so yes i am completely satisfied with my work so i approve it in every way for publishing i thanked god for giving me the strength to endure the last two and a half years to complete this book it has been a blessing and honor to credit this book to god almighty my way of showing appreciation for all that god has done for me in my life so there you have it thanks for the word roosevelt jackson bless you all in jesus name until next time

being behind bars doesnt make you as an inmate less of a human being therefore do not identify yourself with your temporary situation but since you are behind bars you need to take responsibility and while taking responsibility you need to forgive yourself and forgive those who might have done you wrong and once you forgive then you need to live life in jail in prison or under house arrest by following rules and demonstrating good behavior to help make your sentence easier and maybe shorter and until you get free do not waste your time in a cell doing nothing of value instead put your potential abilities and gifts to use and lastly mentally prepare yourself to live life beyond bars by applying every single lesson learned from the cell the church and society need to address the issue of ex inmates reentry as partners and complement each other in facing this issue the society and the church need to understand that just because these individuals are behind bars that doesnt make them any less human than everybody else they have a right to live a right to be forgiven and a right to be accepted back into society these individuals are called inmates while serving time but once they have paid their dues and are set free that name changes to ex inmates and should eventually switch to citizens where society falls short the church needs to pick up the slack and serve these citizens and where the church falls short society needs to step in and help these citizens we cannot afford to let these ex inmates live in a life cycle where they go in and out of jail prison and house arrest we have to prove the statistics wrong society can provide programs to help these citizens reintegrate much more smoothly the church can finally become what it was intended to be and provide a safe environment in which these restored citizens will live a life worthy of being called citizens and not return to old behavior and a life back behind bars
